SUMMARY

Dedicated Computer Science student with strong skills in Java, DBMS, and Data Structures Algorithms, having solved 300+ problems on LeetCode and GeeksforGeeks. Experienced in building Java-based applications and currently expanding into web development (HTML, CSS, JavaScript, and modern frameworks). Eager to contribute to real-world software projects and grow as a developer.

EDUCATION

Galgotias University, Greater Noida, U.P. **2024 – 2028**
B.Tech in Computer Science and Engineering Current CGPA: 8.76

Class XII **2024**
Lord Academy Secondary School Marks: 75%

Class X **2022**
Lord Academy Secondary School Marks: 84%

SKILLS

Programming Languages: Java, Basic Python

Libraries: Basic Data Structures and Algorithms, Object-Oriented Programming

Tools & Platforms: IntelliJ IDEA, VS Code, GitHub

Soft Skills: Teamwork, Time Management, Adaptability

PROJECT

Time Tracking & Productivity Management System *2026*

Developed a web-based system to digitally record work hours, track productivity, and manage time efficiently.

Contributed to frontend development using HTML, CSS designing interfaces for time logging, record viewing, and user interactions.

Designed a structured and user-friendly interface that simplified the management and review of work-hour records.

CERTIFICATES

- **Getting Started with Linux Fundamentals** – Redhat *23 May 2026*
- **Database Programming with SQL** – Oracle Academy *24 Nov 2025*
- **Design Thinking** – NPTEL *Jul-Aug 2025*
- **Java Programming** – GUVI *23 May 2025*

ACHIEVEMENTS

Solved 300+ DSA problems across coding platforms including LeetCode and GeeksforGeeks, strengthening problem-solving and algorithmic skills.
